

Something **Attractive**

What are Magnets?

Magnets are printed offset and can be finished with gloss or matt laminate and are available in one standard size, but are also available in custom shapes and sizes upon request. All magnets are 0.4mm thick.

What are the specifications of Size A?

Artwork size: 92mm x 60mm, including 3mm of external bleed.

Finished size: 86mm x 54mm with rounded corners.

Add a forme cut to your Magnet to create a unique shape and size.

Production limitations?

The largest size for Magnets is up to A3 and cannot be trimmed smaller than 50mm, with a minimum run of 500.
